

GABRIEL D. JIMÉNEZ

UI Junior Designer / Community Manager / Language Teacher

ABOUT

I am a highly motivated and results-driven professional with a passion for learning and growth. Experienced professional with a background in journalism and inclined to problem-solving. Skilled in collaborating with cross-functional teams to deliver quality results on time and within budget. Ability to adapt quickly to new challenges and technologies, and thrive in fast-paced environments. Always looking for challenges to expand my knowledge.

WORK EXPERIENCE

SPANISH/ENGLISH TEACHER ONLINE Italki Website | 2019 - Present

Worked as a Spanish teacher mainly for more than three years, using methods of teaching such as TPRS (Teaching Proficiency and Storytelling) teaching more than 180 students and over 3000+ classes online.

ENGLISH TEACHER Loscher Institute | 2019

Loscher Institute was my first experience as a teacher, handling groups of 6 people and more, using the Loscher method to teach English for teenagers and adults.

JOURNALIST/PRODUCER Venezolana de Televisión | 2018 - 2019

I worked as a journalist and producer in Venezolana de Televisión, mainly creating content and producing it for the social media of this TV station. I designed content, edited videos, wrote news, did field-work by interviewing the people on the street during many events, took photos for the website and traveled several places to cover events around the country.

COMMUNITY MANAGER Doctor Sonrisa Foundation | 2016-2018

My main job in this institution was totally as a volunteer. The foundation's mission is to bring joy and happiness to those at hospitals who are not having such a great time. In plain words, I was a hospital clown. I worked there as a Coordinator for Social Media, where I had the honor to run the image of the foundation and create content for the media through videos, pictures and advertisements.
